AN EXTRAORDINARY OFFER.

There are a number of persons out of em-
ployment in every county—yet energetic
men willing to work do not need to be.
Those willing to work can make from \$100
to \$500 a month clear, working for us as
pleasant and permanent business. The
amount our agents make varies, some make
as high as \$500 a month with others as low
as \$100, all depending upon the energy of
the agent. We have an article of great im-
portance. It should be sold to every house-
owner, and pays over 100 per cent. profit. Each
sale is from \$3.50 to \$10.00. One agent in
Pennsylvania sold 32 in two days, and cleared
\$64.00. An agent in New York made
\$35.00 in one day. Any man with energy
enough to work a full day, and will do this
during the year can make from \$2,000 to
\$4,000 a year. We only want one man in
each county, and to him will give the exclu-
sive sale as long as he continues to work
faithfully for us. There is no competition,
and nothing like our invention made. Par-
ties having from \$200 to \$1,000 to invest, can
obtain a general agency for ten counties or a
State. Any one can make an investment of
from \$25 to \$1,000 without the least risk of
loss, as our circulars will show that those in-
vesting \$25 can after a 30 days trial return the
goods unsold to us and get their money
back if they do not clear at least
\$100. They show that a general agent who
will take ten counties and invest \$250.00 can
after a trial of 90 days return all goods un-
sold to us and have a 30 days trial return the
goods unsold to us and get their money
back if they do not clear at least \$750 in that time.
There are many persons having money to in-
vest, who could not give the business personal
attention—such can employ sub-agents with-
out leaving home—making a large amount
yearly out of a very small investment; we are
not paying salaries but want men willing to
work and obtain as they pay the profits of
their energy. Men not willing to work on
our terms will not work on any. Those
meaning business will receive our large de-
scriptive circular, and extraordinary offer by
enclosing a three-cent stamp, with their ad-
dress. The first to comply with our terms
will secure the county or counties they wish
to work. Address
